- Housing accommodations are considered as part of point allocations
- Those with the same points are randomized
- Housing selection timeslots are assigned in descending point order
- Points for students living in WCM and MSK housing are calculated the same way; no penalty for living in MSK housing
- The maximum number of points a person may have is four, regardless of how many years of study

Important Notes About Moving Off-Campus

- If you move off-campus, housing is no longer guaranteed, and it can be very hard to secure on-campus housing in the future
- Rising second years not living in WCM Housing for summer recess are **not** considered to be off-campus and can return before August class start without impacting points
- After the start of the second year, any move out of WCM Housing is considered an off-campus move
- You must *fully vacate* Olin Hall by June 14 if you are not living in WCM housing the summer after your first year. You may return to campus August 22 when classes resume

Application Process & Timeline

Reassignment Process Overview

Step 1—Decide if you want to stay in your current room, invite a WCM classmate to move into your two- or three-share, or participate in room reassignment

Step 2—Complete housing application and, if applicable, create roommate group

Step 3—View anticipated vacancies

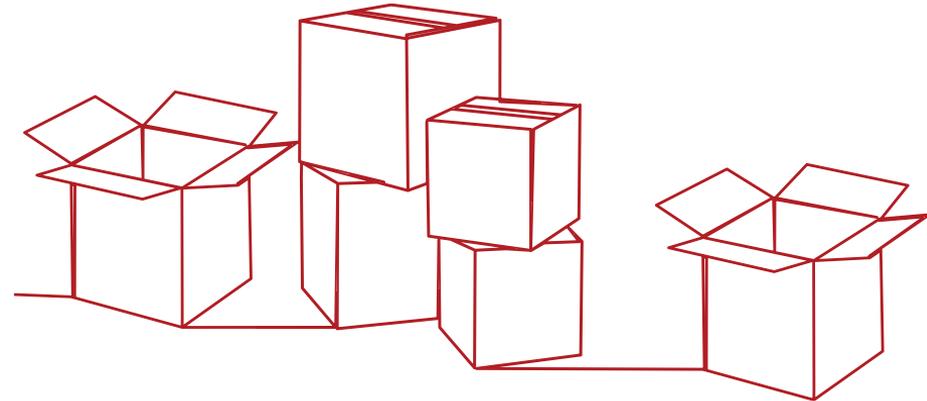

Step 4—Log into housing portal at appointed time and select housing

Step 5—Move-in dates are assigned

Moves start in May and *continue throughout the summer*

New Renewal Policy This Year

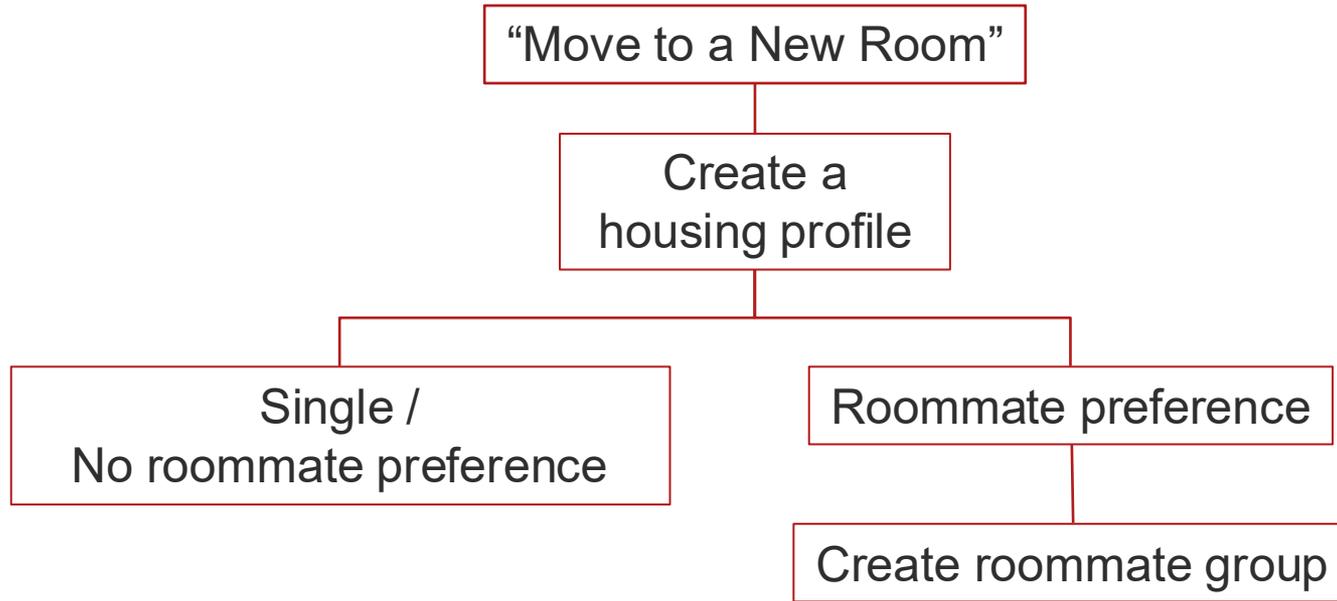

- Students living in Olin cannot remain in Olin Hall; all other students may remain in the same room
- To stay in your current room, **YOU MUST RENEW YOUR HOUSING AGREEMENT** in the [WCM Housing Portal](#).
This is a new policy for the 2026 – 2027 academic year.
- If you do not renew your housing agreement, your room will be visible as vacant during room selection and another student may select it for the next year.

Step 1—Decide Where You Want to Live Next Year

Step 2—Submit Housing Application

For this to function:

All roommate must have created a housing profile first

All members of the roommate group must affirm they want to live to together

Step 3—View Expected Vacancies

Expected vacancies are rooms that are:

1. Currently vacant
2. Currently house a student graduating in 2026
3. Currently house a student who did not sign a room renewal
 - *If you opted into housing reassignment your room will be a choice for another student next year*
 - *This is why it is key that you renew your room if you do not want to move*

Step 3—View Expected Vacancies

- Prior to room selection:
 - You can see expected vacancies
 - If you do not like the options available, you can withdraw from housing selection and remain in your room.

The deadline to Return to Room is March 27
- Roommate groups can be altered throughout housing selection process

Step 4—Room Selection

Timeslots

- Each person or roommate group is assigned a timeslot for when they can *begin* to login and select an apartment
- Timeslots are assigned on a points basis, highest points go first
- In the case of equal points, groups/individuals will be allocated times in a random order

Room Selection

- The WCM Housing Portal allows you to pick your specific apartment
- You may pick your apartment anytime between your assigned start time and the close of housing selection

Step 4—Room Selection

The screenshot shows a web application interface for room selection. At the top, there is a navigation bar with a hamburger menu icon, the text "Feil & Weill Residence Hall Application", "Account Information", "New Student Residence Amenities", and a "Log Out" link. Below the navigation bar is a progress indicator consisting of seven circular steps connected by a horizontal line. The steps are: "Personal Information" (checked), "Feil Family & Weill Family Residence Hall Housing Profile Creation" (checked), "Gender Inclusive Housing" (checked), "Roommate Groups (Gender Inclusive)" (checked), "Feil Family & Weill Family Residence Hall Room Selection" (highlighted with a blue circle), "Select Move-In Date and Time" (blue circle), "Housing License Agreement" (blue circle), and "Application Status" (blue circle). Below the progress indicator, the heading "Initial Selection" is followed by the instruction: "Once you have made your selection, please scroll down and click 'Save and Continue.'" Below this, there is a paragraph: "Each bedroom is listed individually below. For example, Room SR-1007A and Room SR-1007B are different bedrooms in apartment SR-1007. If you are a group leader you must add both bedrooms to your cart. After both bedrooms are selected, scroll down and click Save & Continue". Below the paragraph, there are two links: "To see floorplans [click here](#). To see pricing [click here](#)." At the bottom, there are two room selection cards. The first card is for a "Studio" and the second card is for a "2 Share". Both cards have a blue "SELECT" button at the bottom.

- At or after your appointed time, log into the WCM Housing Portal and select your room
- You will be able to see vacancies right up until your timeslot

*Screenshot of 2026 room selection for Feil / Weill Residence Hall

Step 4—Room Selection, Shares

Splitting up roommate groups or altering configurations

- If the housing type your group wants is not available, you will have to select a room with another student, split up the group, or alter the configuration
- If Sally and Lucy want to live in a two-share and none are available, they can:
 - Select two bedrooms in a three-share where the third bedroom is already occupied
 - Split the group and Sally and Lucy each pick their own empty shares in separate apartments
 - If a three-share is available, add a third roommate to their group
- It is strongly recommended that roommate groups discuss in advance alternatives to their first choice

Step 5—Moving

- After housing selection, you will receive a confirmation of your booking
- Move dates are assigned by WCM Housing staff; during housing selection you will rank move weeks by order of preference
- Move dates are assigned by housing staff because there is not a singular move out day
- Moves will begin in May *and continue throughout the summer*
- Time is needed between moves for Housing Operations to clean and update rooms
- **No movers are provided for any WCM Buildings**. If you wish to hire private movers please contact WCM Housing first to ensure proper insurance and paperwork
