Linking Your Application to Your Preferred Roommate's Application

If you know your preferred roommate, the new housing application process allows you to search for your preferred roommate and link your applications together to select both rooms at once.

In order for this to work, both you *and* your preferred roommate must have already created profile. Additionally, you both must agree to have your information visible during the roommate search process.

To find your preferred roommate, please click "*Search for Roommate by Details*" located below on the righthand side. Once you have found your preferred roommate and selected them, an email will be sent notifying them to login and accept your request. After accepting your request, the applications will be considered linked.

Step 2: Housing Selection

Step 2: Housing Selection, Overview

- The WCM Housing Portal allows you to pick your specific apartment
- Each person or roommate group is assigned a timeslot for when they can *begin* to login and select an apartment.
- Timeslots are assigned on a points basis, highest points go first
- There will be daily time slots every 30 minutes
- You may pick your apartment anytime between your assigned start time and July 20th, 11:59PM
- In the case of equal points, groups/individuals will be allocated times in a random order

How are points determined?

Year	Points
Rising 4 th year or above	4 points
Rising 3 rd year	3 points
Rising 2 nd year	2 points
Off-Campus and other categories	1 point

Notes

- Points for all students living in WCM, MSK, and Rockefeller housing are calculated the same way; there are no deductions for living in MSK or Rockefeller housing
- The maximum number of points a person may have is four, regardless of how many years of study
- If you enter the housing system as a roommate grouping your points are averaged together, i.e., a roommate pairing of a second year and third year student would have 2.5 points

Accommodations

- WCM Office of Institutional Equity must have approved your request for an accommodation
- If your accommodation is *specifically* for the Feil Family & Weill Family Residence Hall, you will be placed first on the selection list
- If your accommodation is not for the new residence hall, 0.5 points are added to your point calculation

Frequently Asked Questions

I missed the original tours. Will WCM Housing offer another tour?

Yes, one more tour will be offered the week of July 7. Stay tuned for details.

I created a roommate group and now want to change it. What do I do?

You can change your preferred roommate anytime during the profile creation period. After the profile creation period ends you cannot change your roommate.

I entered housing selection with a roommate and we don't like any of the options. What can we do?

You can break up a housing group during the selection period, prior to selecting a room. After breaking up a housing group, each person can pick a room individually or opt out of the process.

Can I see what apartments are available before my room selections timeslot?

Unfortunately, no. We hope to have this feature in future versions.

Frequently Asked Questions

Will there be a waitlist for the new residence hall?

Yes, there will be a waitlist.

After the new dorm housing reassignment is complete, will WCM conduct another housing process to backfill the empty rooms?

Once the new dormitory is occupied, WCM Housing will evaluate the current housing occupancy rates. WCM Housing will permit moves within the other buildings. It is yet to be determined how formalized the process will be (i.e. another reapplication process using the WCM Housing Portal).

Frequently Asked Questions

Is there carpeting in the new residence hall?

There is carpeting in the common areas such as hallways and study areas. There is no carpeting inside any of the residences.

Are pets allowed in the new residence hall?

Unfortunately, no pets are allowed in any WCM Housing. If you require a support animal, please contact the Office of Institutional Equity.

How do I reserve space in the yoga room/gym/music room?

Housing Operations will oversee room reservations, and they can be made via the WCM Housing Portal
